

SIVANANTHAM K

B.E Graduate Seeking Software Development Role.

PROFILE SUMMARY

Enthusiastic B.E. graduate with strong skills in web development (HTML, CSS, JavaScript, React, TailwindCSS). Passionate about building responsive and user-friendly applications, with hands-on project experience. Quick learner with problem-solving ability, eager to contribute to a software development team.

PROJECTS

Project 1: E-Commerce Website (React, TailwindCSS, Redux)

- Developed a responsive e-commerce web application with product listings, shopping cart, and checkout functionality.
- Implemented **Redux** for efficient state management and **TailwindCSS** for modern UI.
- Enhanced user experience with interactive components and real-time updates.
